

Neighbourhood Plan Mtg 24/11/21 Notes

Present

Mick Broughton, Simon Warner, Dan Derham, Maddy Hatfield, Chris Rowley and Chris Dobson (Presenting on the Otham Neighbourhood Plan Experience - please see notes attached).

At the meeting we covered two areas

1 Chris Dobson presented his experience in establishing a neighbourhood plan for his village of Otham.

Action 1/1 - All steering group members to please read the notes from Chris, as there are lots of lessons to learn from and they could provide the first key steps that we as a group will need to take !

2 The second topic was the “designated area” that we should focus our neighbourhood plan on. At the meeting we could not agree what should be include/excluded !

In summary there were probably three options:-

A) Bossingham Village

B) Bossingham Village and adjacent woods/fields

C) All of Upper Hardres Parish

Actions

2/1 Mick to provide a plan of option B)

2/2 Dan to provide a plan of option C)

2/3 Maddy and Ali to solicit residents of the parish outside the village to identify support for extending the designated area to cover all of the parish.
